

DOMETIC MD 351 L

Unique wall mounted hotel safe

A new concept. It is the perfect solution for hotel rooms with limited space to install a safe. It can be mounted onto the hotel room walls or inside a hotel room furniture. Standard for MD 351 Lare Dometic's innovative security features, iAudit and webREOS.

The MD 351 luxury version has an ADA compliant rubber keypad and illuminated LED display with 4-digit guest code. Emergency access through high security master key, 6-digit master code or webREOS.

Optional equipment: door handle, activating key, left hand hinge, custom colors, mounting bracket, custom label, rental system through software, interior LED light, internal power outlet (EU, US and UK), mains 220 V operation.

- Power: 4 LR6/AA 1.5 V batteries (included)
- Color: anthracite grey (NCS 8502)
- Inside battery change
- Low battery warning
- Confirmation buzzer
- Spring loaded door
- Inside carpet
- Reprogrammable configuration
